- The grid below contains a quote, a fact or relates a story.
- The set of clues opposite help uncover the mystery quote or phrase.
- The numbers under each letter correspond to a number in the mystery answer.

The best way to solve this puzzle is:

1. Answer as many clues as possible.
2. Transfer each letter to the grid via the numbers underneath your answers.
3. Work between the grid and your answers, to find the words in both areas.

Additional clue: *The initial letters of answers A to V will spell out the group of people who are the subject of the quote below.*
